**NOTICE OF STATUS CONFERENCE**

**Appeal No. 25-01-AQB** was filed with the West Virginia Air Quality Board (“Board”) on June 10, 2025. In accordance with West Virginia Code §22B-1-7(f), an evidentiary hearing concerning the matters set forth in the Notice of Appeal was scheduled for July 2, 2025. It is further ordered that each counselor representative attending the status conference is required to have a thorough knowledge of the case, be prepared to discuss it, and to make stipulations or admissions where appropriate and to argue any pending motions. Each counselor representative must have full authority from the party represented and any law firm with which associated to take such action as may be necessary to comply with this order.

It is further ordered that at the conclusion of the conference, either orally for the record or by separate writing, an order will be entered which recites any action taken and agreements reached by the parties.
