AIR QUALITY BOARD

v.

Appeal No. 25-04-AQB

LAURA M. CROWDER, Director,  
West Virginia Department of Environmental  
Protection, Division of Air Quality,  
Appellee.

JOINT MOTION TO CONTINUE SCHEDULED HEARINGS

The Appellants and Appellee, by their respective counsels, respectfully request that the Evidentiary Hearing in this matter currently scheduled for February 4, 2026, be continued to the Board's first available hearing date in March and that the presently scheduled Status Conference be continued or cancelled. The Certified Record in this case was provided to counsels after the January 13, 2026 deadline. Both parties agree that the issues in this case will be more justly resolved with the additional time requested, while still trying to expeditiously resolve these issues. Because this constitutes good cause, and because no party objects, the parties respectfully request that this *Joint Motion to Continue* be granted.

Respectfully Submitted,

/s/ Jeffrey Dye
